

## **Introduction for Eva-Maria** *bestselling author, speaker & consultant*

After writing a parenting book 'You Shut Up!' at 17 years of age, Eva-Maria went on to become an officially certified coach, international speaker and watch her book become a national bestseller.

To date, she has served as the youngest president of a National Speakers Association Chapter, was recipient of the Most Inspirational Role Model Award, and now runs her company SocialeMedia that helps businesses and organisations with their Marketing and Sales on Social Media.

Eva-Maria is living her dream and mission to help improve communication, understanding and relationships between 10 million youth and adults around the world.

Please welcome Eva-Maria...
